

MATERIAL SAFETY DATA SHEET

ATTN: Safety Officer

In compliance with OSHA regulations and per section 1910.1200 of Title 29CFR, the following product is not considered hazardous and does not require a material safety data sheet (MSDS).

The chemical, physical and toxicological properties of this product may not, as yet, have been thoroughly investigated. We therefore recommend the use of gloves, lab coats and eye protection when working with this or any other chemical reagent.

Products covered by this are:

BioMarker® MT, M1, M2, M3, M4, M5, M6, M7, M8, MX, MXP, M10KB

BioTracker™ Dye

MapMarker®

GeneReleaser®

JumpStart™

PowerPrep™

EnZap™

CloneCheck™

CustomCut™

The information contained on the MSDS is believed to be correct and complete. All chemicals may present unknown hazards and should be used with caution. BioVentures, Inc. assumes no liability for damage resulting from the handling or contact with this product.
